

If you're not totally satisfied with your products purchased at Monique's Bath Showroom, just bring them back for a refund. There are some restrictions and there may be re-handling and or restocking fees from the manufacturer but as of January 1, 2014 you will not receive a Monique's generated re-handling or restocking fee.

Keep in mind that to return your product to the manufacturer it must be undamaged and in the original packaging.

A handwritten signature in black ink, appearing to read "Michael Battista".

Michael Battista
President, Monique's Bath Showroom
